grue Commissioner in Mysore, suggesting that the Personal Assistant to Deputy Commissioner, Mysore District may be placed in additional charge of the above work with a duty allowance of Rs. 50/- per mensem.

Order No. h 10078-83 rul 12-47-8

Bangalore, Dated 4th October 1947

The Chairman, City Improvement Trust Board, Mysore has recommended that the III and IV stages of the Elgin Fountain Straight Road Scheme in Mysore be postponed till all the works connected with the I and II stages of the Scheme are completed and the present dishoused persons are provided with accommodation. This proposal is sanctioned.

2. It is stated that consequent on the above proposal there will not be enough work for a full-time Land Acquisition Officer from 15-7-1947 and ~~that it would be sufficient if a part-time Land Acquisition Officer from 15-7-1947~~ and that it would be sufficient if a part-time Land Acquisition Officer is appointed for attending to the Land Acquisition cases in the City, according to the previous arrangement. He has therefore recommended that the post of the full time Special Land Acquisition Officer attached to the Trust Board may be abolished with effect from 15-7-1947 and the arrangement of placing the Personal Assistant to the Deputy Commissioner, Mysore District in additional charge of the Land Acquisition work pertaining to the Trust Board with a Duty Allowance of Rs. 50/- per mensem be revived. These proposals are also approved. The expenditure in this behalf will be met out of the funds of the Trust Board.
